

## How to Start a Chapter

Nu Rho Psi has chapters all over the United States, comprised of faculty, graduate, and under-graduate students. New charter applications are accepted and reviewed throughout the year.

More detailed information and applications can be found on the Nu Rho Psi website at:  
[www.nurhopsi.org/drupal/apply](http://www.nurhopsi.org/drupal/apply)

The National  
Honor Society  
in Neuroscience

Established in 2006 by the  
Faculty for Undergraduate Neuroscience

## What is Nu Rho Psi?

Nu Rho Psi is the National Honor Society in Neuroscience, founded in 2006 by the Faculty for Undergraduate Neuroscience.

The purpose of Nu Rho Psi is to:

- *Encourage professional interest and excellence in scholarship, particularly in neuroscience;*
- *Award recognition to students who have achieved such excellence in scholarship;*
- *Advance the discipline of neuroscience;*
- *Encourage intellectual and social interaction between students, faculty, and professionals in neuroscience and related fields;*
- *Promote career development in neuroscience and related fields;*
- *Increase public awareness of neuroscience and its benefits for the individual and society; and*
- *Encourage service to the community.*

## Benefits of Nu Rho Psi

Members of Nu Rho Psi enjoy a variety of benefits, including:

- National recognition of your excellence in neuroscience scholarship and research.
- Lifetime membership and a professional network of neuroscientists.
- Travel awards to attend the Society for Neuroscience annual meeting.
- Regional and national Nu Rho Psi neuroscience conventions/meetings.
- Leadership opportunities to advance neuroscience.
- Nu Rho Psi Newsletter

## Membership

Membership is by invitation from local Nu Rho Psi chapters and is open to graduate and undergraduate men and women who are making the study of Neuroscience one of their major interests and who meet the academic qualifications.

Nu Rho Psi is also open to qualifying Neuroscience faculty and alumni of Neuroscience programs.

Requirements for membership include:

- Completion of at least 3 semesters of college coursework
- Completion of at least 9 semester hours of Neuroscience-related courses
- Undergraduate cumulative GPA of 3.2 and a minimum GPA of 3.5 in Neuroscience courses
